MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE DIRECTOR OF INDUSTRIES AND COMMERCE, BANGALORE.

Notification dated 24th March 1925.

Applications are invited from persons or associations interested in the development of Home Industries, for the starting of classes, for imparting instruction for the undermentioned industries in the Cities of Bangalore, Mysore, Tumkur and Hassan:—

1. Rattan work.
2. Sewing and dress-making.
3. Wick, tape and hand-kerchief, weaving cotton and silk, ribbon-making.
4. Hand knitting and darning.
5. Silk twisting, reeling and winding ball thread.
6. Crotchet, lace and embroidery.
7. Mat-weaving and basket work.

Government are willing to afford the following facilities to such persons or associations:—

(*i*) A maintenance grant limited to the pay of a qualified teacher for each industry and a lumpsum towards wastage of materials during preliminary period of training.

(*ii*) Facilities will be afforded to persons engaged in these industries to find a sale for their products by being allowed to expose them for sale in the Arts and Crafts Depot and the Government Weaving Factory without any charges.

(*iii*) Advances for purchases of raw materials to home workers will be made to recognised persons or associations who may be willing to grant advances on their own responsibility to the workmen and to collect their products and assist in finding a sale for them.

Such applications should reach the undersigned *on or before the* 1*st May* 1925.

P. G. D'SOUZA,
Director.

OFFICE OF THE CENTRAL INDUSTRIAL WORKSHOP, BANGALORE.

NOTICE.

1. Sealed tenders will be received in the Office of the Superintendent, Central Industrial Workshop, Bangalore, for supply of Gun Metal Scrap of the quality and quantity mentioned against each in the undermentioned schedule.

2. Tenders should be superscribed "Tenders for Gun Metal Scraps" and should be sent so as to reach this office before 12 noon of the 17th April 1925.

3. Tenders should be accompanied with a deposit of Rs. 100. The rates quoted should hold good for three months, and the supply should be made in such small quantities as may be indented for from time to time, by the Superintendent, Central Industrial Workshop. Samples of ½ cwt. each sort of articles should be sent for inspection. The supply must begin immediately after the tender is accepted by the Director of Industries and Commerce.

4. No application from the contractor or contractors for any sort of concession owing to the rise in the price of articles in the market or other case will be considered.

5. The quantities given in the schedule are only approximate and cannot be guaranteed. The weighment at the railway weigh bridge at Bangalore City shall be final for acceptance of weight for goods received from outside. In the case of local tenderers, the terms are free delivery at the Central Industrial Workshop Stores. In this case, the weighment at the Workshop Stores shall be final.

6. Final acceptance of the tender will rest with the Director of Industries and Commerce, who does not bind himself to accept the lowest or any tender or to assign any reason-whatsoever for the rejection of any tender. The supply must be of the same quality as sample accepted.

7. The name of the successful tenderer will be notified in due course in the Notice Board of the Director of Industries and Commerce and he will be required to execute an agreement for the due fulfilment of the contract within eight days of intimation of the acceptance of the tender, failing which his contract will be cancelled and the deposit money forfeited to Government. The deposit money on rejected tenders will be refunded.

8. The contractor shall be bound to supply the scrap as intended for by the Superintendent, Central Industrial Workshop within ten days of each indent. In the event of failure to deliver the articles within such time, the earnest money will be forfeited and that a sum not exceeding 5 rupees a day will be levied from the contractor for every day of delay as and by way of liquidating damages.

9. On all matters of dispute relating to the quality and the quantity of the articles supplied, the decision of the Superintendent, Central Industrial Workshop, will be final.

Name of article	Quantity required	Delivery
G. M. Scrap. Gun metal, malleable and suitable for cruciable casting. (Scrap should be in pieces but not in blocks.)	Two tons ...	F. O. R., Bangalore City.
